COVID-19 Update for Club Nova Members

Due to the risk of COVID-19 to our members, Club Nova is temporarily closing the Clubhouse in order to minimize the risk for our members. Closure of the Clubhouse is now in effect as of Sunday, March 15, 2020. **While the Clubhouse itself is closed, we will continue providing outreach and other supports members need on a routine, ongoing basis.** We do not know yet how long we will need to remain closed.

If you have access to the web, please look for more detailed information on our Club Nova website <https://clubnova.org/>

Club Nova will be checking in with you on Monday. Please let us know your situation with medication, food, and any other needs you may have.

Try to stay put at home and not be out and about anywhere you can't get at least 6 feet or more of social distancing. Try to limit going out into the community to gathering essential items.

Do try to get outside for fresh air and sunlight.

You can reach Club Nova by calling 919-968-6682. You can call Club Nova during the day to talk to someone. You may leave a voice message after hours.

Thank you and please know that Club Nova cares about you and your well-being. We will be in touch.

Karen
